There is the reminiscent native who wants to tell you how years ago he went fishing with the President; the confidential native who would have you understand that he is closer to the President in natters of state than any Cabinet officer and who, while buttonholing you, will outline in whispers Government policy by the yard, the neighborly native, who insists on telling you how he onced helped the man who is now the nation's head, mend a broken fence, or patch up a hay rack. Then, too, there has been a remarkable boosting of vilues. Since the President is cast of vilues. Since the President in gain the price of everything from a stove to a building lot has ascended. In times past the native of Oyster Bay was modest in his charges, but now he does not hesitate to cast New York prices in the shade. He'll tell you: "We don't have a President every year."

There is an old darky known as undele Dave who for year past has driven a ramshackle and nondescript conveyance for public hire. The President since he was a boy has known unell Dave, and because he likes him he has climbed into his old rig at the dept and gone up to Sagamore Hill in it just to please the old negro. When members of his family have been with him the President has had them go on ahead in the family curriage.

Lord Kitchener Credits the Rank and File With Victory.

SOUTHAMPTON, July 12.—The steam-row, June 23, with General Lord Kitchener on board, oked at 8:50 o'clock this morning. Immense crowds had gathered on the dock and every available place near the lock and every available place near the lock and every available place near the college was filled with enthusians tic people, eager to add their voice to the victorious British forces. A guard of honor, consisting of Camptive of Oyster Bay was modest in his charges, but now he does not hesitate to cast New York prices in the shade. He'll tell you: "We don't have a President every year."

There is an old darky known as undersome the crowds caught in the president has had them go on a head to please
